Many people helped show their love and support over the past several months in a national contest for Jay to win a handicapped accessible van. Unfortunately, Jay did **NOT** win!

We now turn together as a community to help Jay and Lisa buy a van, and help pay for other necessities. The needs are great, but our love and commitment is great too!

Please visit the website below to donate to the Erwins, or visit your local State Employees' Credit Union and donate to Jay and Lisa!
